Spring 2020

Great news! We are planning to open up the meeting house for Sunday morning Meeting for Worship 10.30 on **9th May** (covid guidelines still apply). We hope that that's it for closures and we will be open from then on. If the weather is fine we'll be meeting as often as possible in the garden as we loved this last year. Welcome back everyone.

21 March We had a 'year on' memorial for Mick, our wonderful Warden and we remembered him warmly. Fliss reminded us of his 'Pieces of Woodland' (above) art work and we hope to have something similar in the meeting house soon.

6 March was Story telling for the preschoolers. Here's the picture Poppy made while listening to the story - so much energy!

4 April Wildflower garden at Easter Oh the fun of meeting up in the garden after meeting for 5 months online!

There's ongoing work on this patch but we hope for great results! Do contact Debbie about coming along to a wildflower session in Spring/Summer - no experience needed.

Keeping connected. This newsletter is especially for those who we email and see so much as part of our meeting and who we haven't seen online in the Zoom meetings over the last year. We post this to all those we can. We are aware that Zoom is not everyone's cup of tea and those who have attended for quiet and spiritual refreshment have been keenly aware of Zoom's limitations for this. This newsletter is our way of saying you are not forgotten even if we haven't seen you for way too long. All the people we email have often been in our thoughts and prayers over this difficult last year.

Hiroshima Tree Rabinder has requested a tree from the seeds of the tree survivors at Hiroshima. We plan to plan this seedling in a special part of the Quaker garden. No date as yet

Open day in July/August We would like to open our doors soon to people locally for a worthwhile session with us. Still in the 'it's just an idea' phase as yet. Thinking about something we care about and want to share.

In Friendship Helen P, Rose J and Nora K
